

Hello, everyone. Today we'll just do some light vocabulary work.

(Danes bomo naredili nekaj malega na besedišču).

On page 68 in your books, look at the Vocabulary. Make sure you understand all of the words. Write down the ones you don't understand and look them up in the dictionary.

(preverite, če poznate vse besede na strani 68 v učbeniku. Tiste, ki jih ne poznate, zapišite v zvezek in njihov pomen poiščite v slovarju.)
