

Hello, everyone 😊

Today we will be talking about the rooms in the house and do some easy exercises.

Exercise 1

In your books, on page 72, you have a picture of a house, and some words above it.

Match the words with the numbers in the house.

Na strani 72 v učbeniku imate sliko hiše in nad njo številke. V zvezek zapišite številke in zraven napišite ustrezno besedo.

Exercise 2

On page 72 under number 2, you have some descriptions. Match them with numbered pictures on pages 27 and 73.

Na strani 72 imate pod nalogo 2 tri opise, v zvezek zapišite črko pred zapisom in jo povežite s številko ob slikah na straneh 27 in 73.

Exercise 3

Write down the rooms in your house or flat.

Zapiši, katere sobe imate v hiši ali stanovanju.

That's it for today, have a nice one 😊
