

Hello, everyone, hope you had a great weekend 😊

Thank you for sending your corrected homework from Wednesday.

Hvala vsem, ki ste mi poslali sredino domačo nalogo.

Today, we will read a text about different homes in the UK (United Kingdom – or England, although, technically speaking, this is not the right term. But more on this another time 😊 ).

Danes bomo prebrali tekst o različnih domovih v Združenem Kraljestvu (Angliji, po domače, čeprav tehnično gledano, to ni čisto pravilen izraz, ampak o tem kdaj drugič 😊 ).

If you really, really, really want to know, you can look at this picture: 😊

Now, to work...

Open your books on page 79.

Read the text, write down all the words that you don't understand and look up their meaning in the dictionary or online. (Pons and Google are your friends).

Then copy the sentences under the heading "task" and write if they are true, false or if we don't know.

Preberite tekst, zapišite besede, ki jih ne razumete in njihov pomen preverite v slovarju ali pa na spletu. (Slovar Pons in Google sta vaša prijatelja).

Potem prepisite stavke pod naslovom "task" in napišite ali so pravilni, napačni ali pa te informacije ni v tekstu.

A few explanations just to make reading a bit easier.

Nekaj prevodov, da vam malo olajšam branje:

semi - detached house – dvojček (tip hiše)

cottage – kočica

caravan – počitniška prikolica

terraced house – vrstna hiša

You don't have to send me anything yet, on Wednesday I will send you the answers. 😊

Ni mi potrebno še ničesar pošiljati, v sredo vam pošljem odgovore. 😊

That's it for today, have a great day 😊
