

Hello, everyone 😊

We hope you've done all the exercises in your workbook. Now it's time to move on to adjectives describing personality.

Open your textbooks on page 30.

Read the words under number 1 and match them to the descriptions below. Make sure you write them in your notebooks.

Like so:

1. independent – I like doing things on my own. I don't like asking for help.

Great, now read the text under 3a and do exercise 3b.

Open your workbooks and do the exercises on page 24.

One more thing, then you can take a break. 😊

Pick a friend and describe his or her personality.

You can use the words from the book and here is a link where you can find even more descriptions.

This is a short video where you can find some descriptions of opposite personality traits.

And that's it for today, have a good one. 😊
