3. What did Ping bring to the emperor?
4. Why couldn't the seeds grow?
5. Why did the emperor choose Ping as his successor?

3. Write a short essay about telling the truth, choose one of the two titles below.

- Telling the truth is always important.
- Telling the truth is important, but sometimes it is ok to lie.

Bonus “round”, research time.

The actor who read the story starred in a film about a famous band.

Find out the name of the band, listen to 5 of their songs and write them down in order from your favourite to your least favourite.

And, as always, have a great day 😊
