

ENGLISH LESSON on Monday, 16th March 2020.

Welcome, eighth-graders. We hope you are well.

Here's the first task for you.

Look at the picture. It's my brand new paper box garden on my kitchen window sill. (Ignore the cactus plant in the middle.)

Have you looked at the picture? Are you sure? Look again.

I have just planted some seeds. What do you think will grow in the left paper box garden and what in the one on the right?

Question No. 1:

What herbs have I planted?

Here are some clues to help you.

The one on the left is a 4 letter word (three consonants, one vowel), the other one is a 7 letter word.

And here's the second task.

Look at the two pictures below.

BEFORE

NOW

Look again.

Question No. 2:

What changes have I made? What have I done?

Here's what you need to do.

Send both answers to your English teacher.

Don't forget to use the present perfect tense.

Deadline: Monday 13, 2020 (2pm).
