Pravilne poteze

Prepiši v zvezek za nalivnik:

The image shows a handwriting practice sheet. On the left, under the heading 'Pravilne poteze', there are two rows of cursive letters 's' and 'š'. The first row shows the letter 's' with a red stroke order diagram: a green dot at the top, a red arrow pointing down and then curving to the right, and a black outline of the letter. The second row shows the letter 'š' with a red stroke order diagram: a green dot at the top, a red arrow pointing down and then curving to the right, and a black outline of the letter. On the right, under the heading 'Prepiši v zvezek za nalivnik:', there is a grey rectangular area containing a handwriting practice sheet. At the top of this sheet, the word 'VAJA' and the date '15.5.' are written in red. Below this, there are two rows of cursive letters. The first row contains eight 's' characters: the first is red, and the others are blue. The second row contains eight 'š' characters: the first is red, and the others are blue.

Sončen dan (S, Š)

Začela se je pomlad. Samo in Špela sta se je razveselila. Za hišo sta postavila gugalnico. S sosedovim Šimnom sta se do večera gugala in žogala. V soboto so ju starši odpeljali na Šmarno goro. Samo je tekal in vijugal med drevesi, Špela pa je nabirala zvončke. Zaželela sta si, da bi naslednji dan obiskali sestrični.
