

6th April, Monday, until 9th April, Thursday - 7c

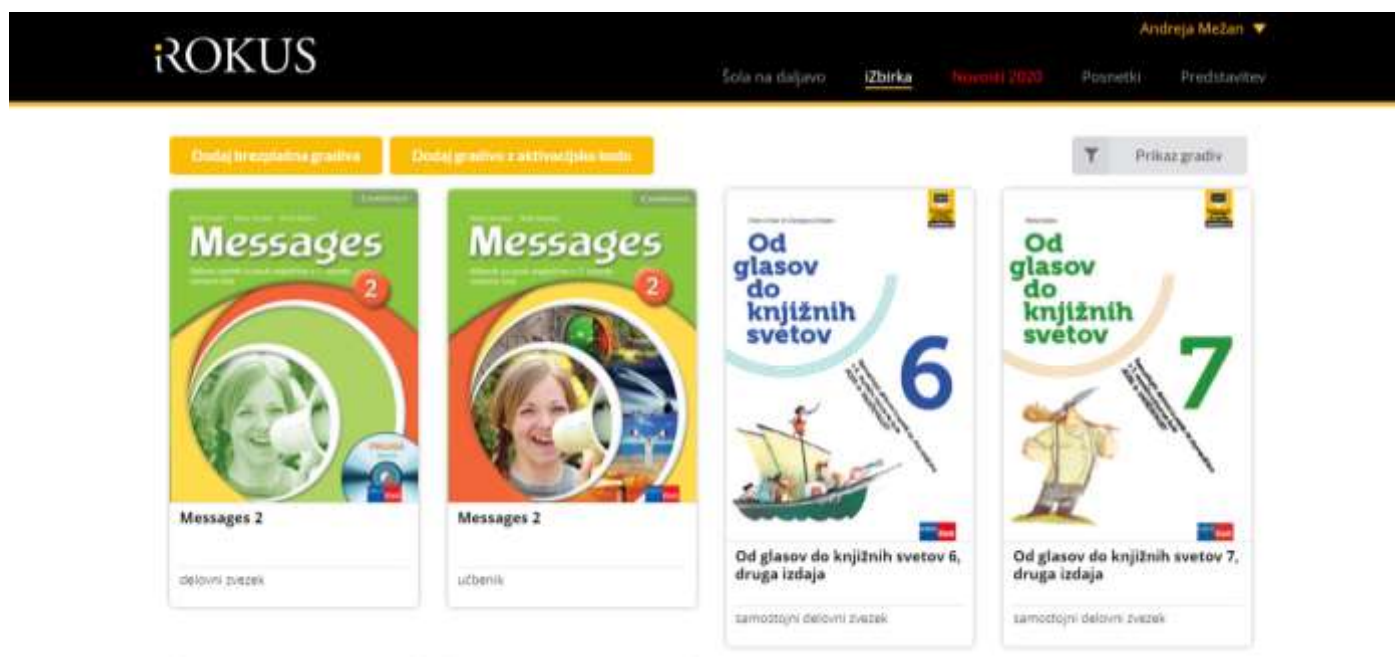

Hello, everyone. How are you in our fourth week of long distance learning?

Today is WORKBOOK time, which means you DO exercises in your workbook.

(Danes je čas za vaje v delovnem zvezku)

Open your workbooks on page 64/65 and DO all the exercises, including the listening comprehension one (it works on irokus where the books and workbooks are).

(Odprite delovne zvezke na strani 64/65 in naredite vse naloge, tudi slušno razumevanje. Deluje na spletni strani irokus, kjer lahko dostopate do učbenika in delovnega zvezka)

NOW, turn the page and continue doing the exercises all the way to page 70.

(Zdaj pa obrnite list in nadaljujte z reševanjem nalog vse do strani 70)

DON'T SEND me anything until I give you the answers on Thursday, 9th April, you check the exercises and send me the corrected homework on Friday, 10th April.

(Ničesar ne pošiljajte do četrтка, ko bom objavila rešitve, preverite svoje odgovore in popravljeno nalogo pošljite v petek, 10.4.)

Stay safe and well.
