

## ***The Hula Hoopin' Queen***

**Watching, listening, writing**

Hi, again. I hope you had a great weekend.

Now, read the instructions carefully. VERY carefully.

Ready?

Here we go.

### **1) Get cosy. (Udobno se namesti.)**

Comfortable?

Good.

### **2) Watch this video and listen to the story. (Video zgodbica.)**

<https://www.storylineonline.net/books/hula-hoopin-queen/>

Fantastic. (If you want, you can watch the video again. And again. And again. ☺)

Now stand up!

### **3) Do some SNAPPING... and some TAPPING... and some HULA HOOPING...**

Keep the rhythm. One, two, three, four, one, two, three, four...

**(Malo telovadbe ☺.)**

Great.

Now you can sit back down and take a 2-minute break.

Relax. Drink some water.

#### 4) Now do some thinking and writing.

Send your English teacher an email with the following content (in English!).

\*Napiši, kakšna se ti zdi zgodbica. Dopolni poved s pridevnikom, ampak NE uporabi besede GOOD. Zdaj si v 6. razredu. Pomisli, katere pridevnike še poznaš.

\*\*Napiši, zakaj ti je zgodbica všeč ali zakaj ti ni všeč.

\*\*\*Napiši, katera oseba iz zgodbe ti je najbolj všeč in pojasni, zakaj.

And you are done for today.

Have a nice day.
