

Navodila za delo – OPB 8 (24. 4. 2020)

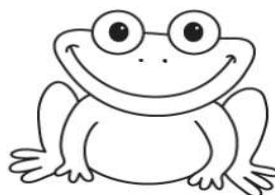

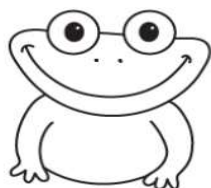

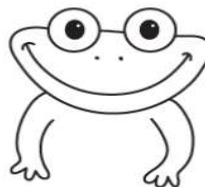

Dragi učenci in učenke,

petek je. In še malo pa se začnejo počitnice. Čeprav bodo letos drugačne, verjamem, da bodo prav prišle. Spočijte se, malo odmislite delo na daljavo, izkoristite lepo vreme za igre na prostem. Skratka, vam in vašim bližnjim želim prijetne praznike. Javite se kaj, bom zelo vesela.

Bodite zdravi in lep pozdrav,
učiteljica Sandra
