Pozdravljeni, dragi tretješolci !

Danes je torek in spet sem z vami.

Kaj, če bi priredili tekmovanje različnih modelov papirnatih letal?

Prvega bomo naredili danes.

Tukaj so navodila. Bo šlo?

Kako naj damo ime našemu prvemu letalu?

Svoje predloge mi pošljite na vanja.repic@guest.arnes.si

Ostanite zdravi !
