Open your book on page 73 and do exercises 5a and 5b into your notebook.

3. We are going to continue with  in **FUTURE SENTENCES**. Copy the following grammar card into your notebook:

### ***when*** in future sentences

*when* v časovnih odvisnikih za prihodnost

We use the present simple after *when* in future sentences.

V povedih, ki se nanašajo na prihodnost, uporabimo present simple za veznikom *when*.

- *Will you see Danny when you go into town?*  
(NOT *when you will go into town.*)
- *I'm going to finish my homework when I get to school.*

The last thing today is exercise 7a on page 81 in the book. Write down full sentences 😊.

All exercises will be checked during the Zoom session on Thursday.

Stay safe!
